HEATING AND PLUMBING

Delf has been supplying reliable products to customers such as British Gas since 1972. Allens Leak Detector Fluid and Connectapipe pipe jointing lubricants combine to provide a comprehensive product range that can be purchased in large quantities and shipped anywhere in the world.

Working with our trusted customers ensures that our products are consistently developed to meet changing industry requirements.

Our heating and plumbing category includes the following product ranges

Allens Leak Detector is the industry's firm favourite. With a proven track record it is used extensively throughout the UK.

ConnectaPipe EasyJoint Silicones allow for quick and easy jointing of plastic pipework in plumbing installations.

ConnectaPipe EasyFix Solvent Cements enable you to expertly joint rigid PVC pipes and accessories in pressure systems.

The Industry's Firm Favourite

Leak Detector Fluids

Leak Detector Fluid Solution

Ready-to-use blend of high foaming surfactants

- Quick and easy to use
- Formulated for the fast detection of gas leaks
- Conforms to BS EN 14291:2014
- Available in 1 Litre and 500ml

Leak Detector Concentrate

A concentrated blend of high foaming surfactants,

- A cost effective solution
- Readily diluted to make 1 litre of ready to use fluid
- Conforms to BS EN 14291:2014
- Available in 125ml

Leak Detector Fluid Gel

Ready-to-use viscous blend of high foaming surfactants

- Handy brush applicator included for easy application in hard to reach areas
- Fluorescent colour for high visibility in poorly lit areas
- Available in 250ml

Leak Detector Spray

Specially formulated for rapid detection of gas leaks

- Spray applications makes this product accurate in hard to reach areas
- Ready-to-use formulation
- Fluorescent colour for high visibility
- Conforms to BS EN 14291:2014
- Available in 250ml and 500ml

ConnectaPipe

EasyJoint Silicones

Quick and easy jointing of plastic pipework in plumbing installations

Silicone Lubricants

EasyJoint SL

Silicone pipe lubricant with advanced spray technology

- Equivalent to a standard 400ml aerosol
- WRAS approved
- Available in 40ml

EasyJoint SG

Silicone grease lubricant for water, soil, drainage and gas pipes

- Dual purpose lubricant and sealant for gas valves
- WRAS approved
- Available in 500g and 1KG

EasyJoint SE

Silicone emulsion lubricant for assembly of hot and cold plastic water pipes

- For easy and speedy pipe assembly
- WRAS approved
- Available in 50g, 100g and 500g

EasyJoint SO

Pure silicone oil plastic pipe jointing lubricant

- Low viscosity gives high spreading capabilities
- Available in 5 Litres

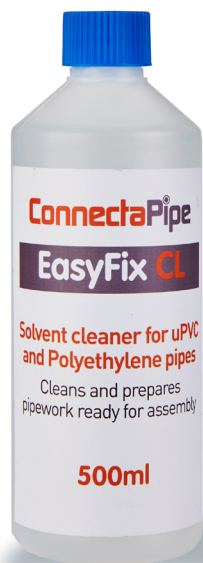

ConnectaPipe

EasyFix Solvent Cements

Expertly joint rigid PVC pipes and accessories in pressure systems

Solvent Cements

EasyFix CL

Effective Solvent Cleaner for Polyethylene, ABS and UPVC Pipes

- Cleans and prepares pipework ready for assembly
- Available in 250ml and 500ml

EasyFix AD

New Generation Solvent Cement for jointing ABS and PVC pipes in pressure systems

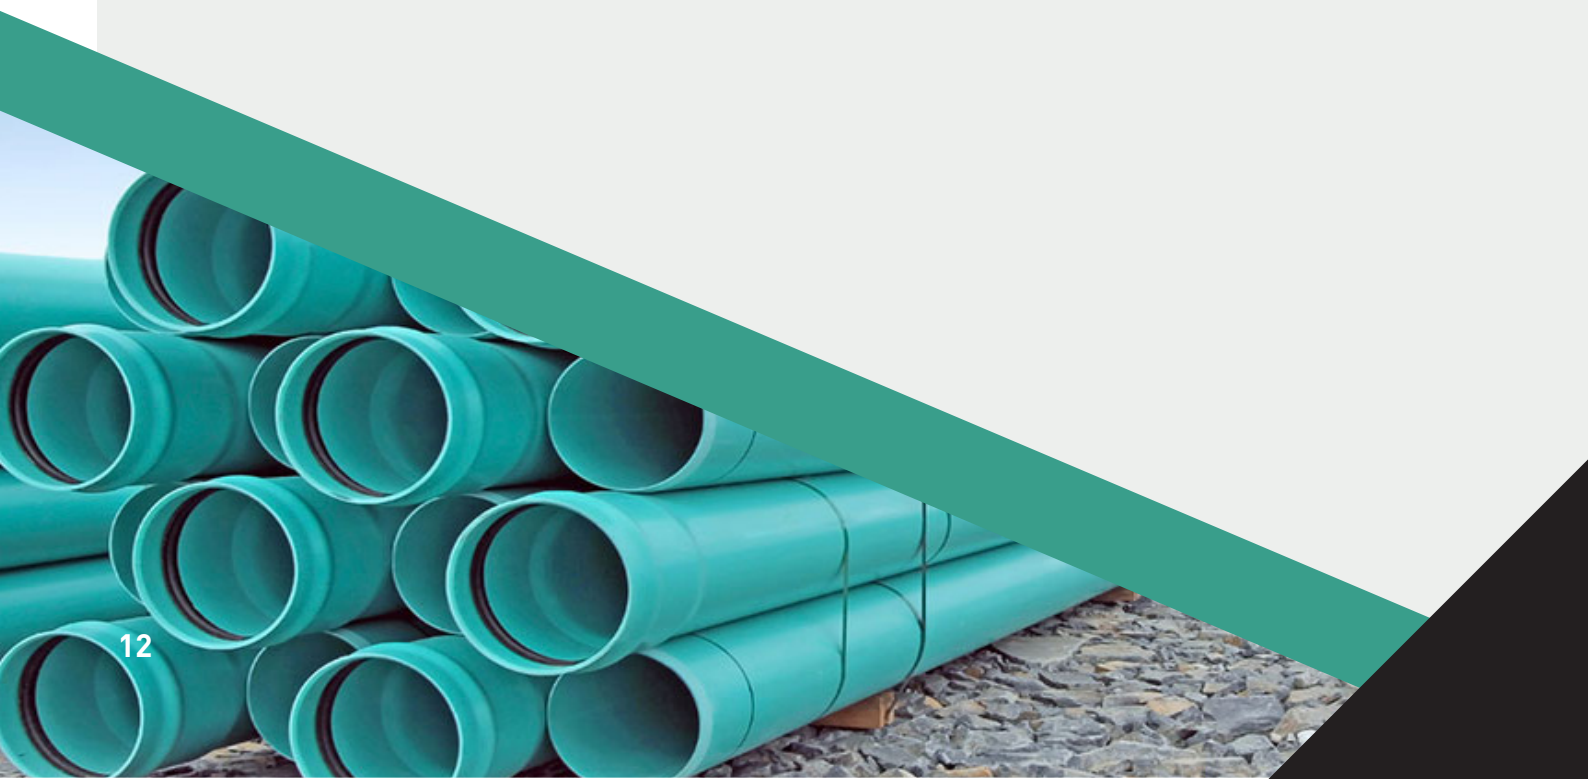

- Specially formulated to bond thermoplastic piping systems
- Conforms with BS EN 14814 and BS EN 14680 for jointing rigid PVC pipes and accessories in pressure systems
- Available in 250ml and 500ml

BUILDING

As a major producer of quality soap-based lubricants, manufacturing affordable and reliable products for every job is our top priority.

Many of our building products are available in large quantities and are used for all purposes, from small home projects to multi-million pound constructions. With the capability to export our products all over the world there is no limit to who can utilise them.

Our building category includes the following product ranges >

The logo for ConnectaPipe, with 'Connecta' in orange and 'Pipe' in grey, featuring a small circle with a dot inside the 'i'.

The logo for Delf, with 'Delf' in grey and a green swoosh under the 'e' and 'l'.

Hard Surface Cleaners

Delf's range of hard surface cleaners include a wide range of products to fit any job.

The logo for Delf, with 'Delf' in grey and a green swoosh under the 'e' and 'l'.

Sundries

Be prepared for every eventuality with Delf's versatile range of sundries

ConnectaPipe

EasyJoint Lubricants

Soap-based lubricants for quick and easy assembly of pipe systems

Pipe Lubricants

EasyJoint Uni

An environmentally friendly vegetable oil soap-based pipe jointing lubricant with universal application

- WRAS approved
- Available in 500g, 1KG, 2.5KG, 5KG and 25KG

EasyJoint Lube

Versatile pipe jointing lubricant for general use

- Compatible with all types of pipe media
- Available in 1KG, 2.5KG and 5KG

EasyJoint Wax

Water resistant pipe jointing lubricant for wet conditions

- For soil and waste water installations
- Available in 1KG and 2.5KG

EasyJoint Eco

Sturdy pipe jointing lubricant ideal for heavy-duty pipes

- Cold water wash off resistant with excellent lubricity properties
- Available in 1KG and 2.5KG

EasyJoint LS

WRAS Approved Liquid Pipe Jointing Lubricant

- Reduced friction lubricant that readily seeps round the joint to where hands can't reach
- Available in 250ml and 500ml

Bulk Lubricants

For quick and Easy assembly of large pipe systems

Bulk Lubricants

Ruby Veg Soft Soap

All-natural soya oil-based soap used predominantly for its lubricant properties

- Suitable for bulk orders or exporting anywhere in the world
- All export orders are despatched in metal pails
- Highly versatile product
- Available in 5KG and 25KG

Mortar Admixtures

Cost effective all-in-one mortar admixture

Mortar Admixtures

EasyMix 3-in-1

Performance mortar and concrete admixture. Waterproofs, plasticises and retards to assist workability of mixes.

- For use in renders, dry dash and pebble-dashing, concrete floorings and brick laying
- Cost effective
- Large areas can be covered in just one application
- Excellent water proofing properties
- Reduces shrinkage (cracking etc)
- Improves durability
- Available in 5 Litres, 25 Litres and 200 Litres

Hard Surface Cleaners

Versatile products to fit any job

Hard Surface Cleaners

Powerwash HSC

Highly effective biodegradable cleaner for general use

- Use in hot or cold water
- Non-caustic
- Available in 5 Litres, 25 Litres and 200 Litres

Powerwash HFC

Highly penetrating heavy-duty foam cleaner

- Ideal for use with foaming lance
- Contains caustic
- Available in 5 Litres, 25 Litres and 200 Litres

Powerwash TFR

Fast acting traffic film remover for a sparkling shine

- Effective removal of soiling
- Ideal for use with pressure washers
- Non-caustic
- Available in 5 Litres, 25 Litres and 200 Litres

Powerwash Surface Degreaser

Heavy duty cleaner for those difficult cleaning tasks

- Multipurpose
- Suitable for areas where food is prepared
- Rapidly removes grease, dirt and soiling
- Available in 5 Litres, 25 Litres and 200 Litres

Delsol Degreaser

Concentrated degreaser for ready removal of heavy deposits

- Cost-effective
- Removes grease, oil and carbon deposits
- Designed for automotive and industrial industries
- Available in 5 Litres and 25 Litres

Rust Remover

Easy to use and fast acting rust remover

- Ideal for cleaning tools, metal parts, pipework and boilers
- Leaves a fresh metal finish
- Also effectively removes rust stains from stone, brick and concrete
- Available in 5 Litres

Brick Cleaner

Acid based cleaner for rapid removal of mortar and concrete

- Highly effective acid based brick cleaner
- Avoids redeposition of mortar and cement
- Available in 5 Litres and 25 Litres

Sundries

Wide range of sundries ensures you're prepared for any eventuality

Sundries

Red Label Hypochlorite

Industrial high strength bleach for all cleaning and sanitising

- Contains chlorine, with proven disinfectant properties against a wide range of microorganisms
- Stabilised formulation for maximum shelf life
- Available in 5 Litres, 25 Litres, 200 Litres, 1000 Litres

High Strength Bleach

High strength bleach for effective cleaning, sanitising and disinfecting

- Quickly breaks down organic matter that can block pipework
- Available in 5 Litres and 25 Litres

Thick Bleach

Reliable bleach with long lasting action and thicker consistency

- Provides longer lasting action
- Available in 5 Litres and 25 Litres

Glittersol Excel

Superior Detergent With Excellent Grease Cutting Action

- Ensures effective penetration and emulsification of heavy fat and soil deposits
- Suitable for all general purpose manual cleaning operations
- Available in 5 Litres, 25 Litres, 200 Litres and 1000 Litres

Green Pine Disinfectant

Powerful pine fragrance easy to use disinfectant

- All in one bactericide, germicide and fungicide
- Use neat or diluted
- Pleasant pine fragrance
- Available in 5 Litres and 25 Litres

INDUSTRIAL SOFT SOAPS

With over 90 years of manufacturing expertise behind us, our highly versatile soaps are used throughout many industries and we can even tailor make them to suit you.

Soap has been known for centuries and is widely used in personal care, cleaning and laundry products. This household commodity has numerous useful properties which have made it one of the most versatile industrial chemicals available.

Our tried and tested potassium soft soaps are made using a combination of traditional and modern techniques. They contain natural vegetable derived ingredients, are non-corrosive and environmentally friendly and meet various approved standards.

Our industrial soft soaps category includes the following product ranges

Speciality Soft Soaps

Delf's high quality soft soaps are expertly manufactured using a combination of traditional and modern techniques.

Tyre Preps

Delf's professional and cost-effective tyre preps are suitable for all tyre mounting.

Speciality Soft Soaps

Expertly manufactured high quality soft soaps

Speciality Soft Soaps

Coconut Fatty Acid (35%)

Highly versatile soap with gentle cleaning properties

- Acts as a surfactant, cleansing agent, emulsifier and foam booster
- Used in lubricants, greases, waxes, wood polishes and as a conditioning agent for textiles and leather
- Available in 1KG, 2.5KG, 5KG and 20KG

Please note: Due to the manufacturing process of this product, we cannot guarantee dispatch times. To find out current lead times please contact our team today

Double Crown Soft Soap (40%)

Expert vegetable oil based soft soap

- Soya oil derived; no marine fish oils or animal fats
- All-natural, biodegradable
- Used in a variety of applications requiring surfactant or lubricating properties
- Available in 1KG, 5KG and 25KG

Castor Oil Soft Soap

Speciality soap with moisturising, healing and nourishing properties

- Ideal for manufacturing bases for disinfectants
- Pharmaceutical grade conforms to BP standards
- Available in 1KG, 5KG and 20KG

Tyre Preps

Expertly manufactured high quality soft soaps

Tyre Preps

EasyLube LTL

Versatile liquid tyre lubricant

- Water based tyre lubricant for most tyre mounting and removal applications
- Suitable for use in automatic and manual sprayers
- Ready to use formulation
- Contains corrosion inhibitors
- Good lubricity properties
- Available in 5 litres, 25 litres, 200 litres and 1000 litres.

EasyLube Mount & Seal

Easy to use economical mounting/demounting lubricant and rim sealer

- Use in concentrated form
- Grease-like to create an effective seal
- Readily applied by hand or brush
- Good adhesion to tyre and wheel rim
- Available in 1KG, 5KG and 25KG

EasyLube Tyre Paste

Universal tyre mounting/demounting paste

- White paste for direct application to tyre and bead
- Does not affect the rubber or cause softening
- Particularly suitable for low profile tyres
- Available in 1KG, 5KG and 20KG

Delf Wholesale & Business

When you set up a Delf Wholesale & Business account our wide range of heating, plumbing and building products are available in bulk quantities at low prices.

Benefits of being a Delf Wholesale & Business customer:

Best price guarantee

Free delivery on pallet orders (T&Cs apply)

Customer credit account opportunity

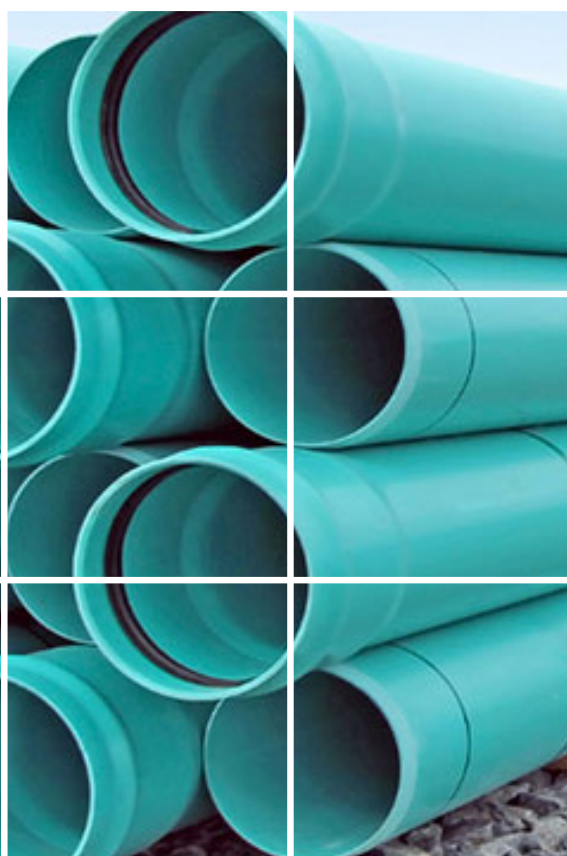

Dedicated customer service and sales team

Bespoke billing and invoicing

Three-day dispatch

To qualify as a Delf Wholesale & Business customer, all you need to do is:

Apply for an account with our sales team

Meet our minimum order quantities of 1 full pallet per order

Don't qualify?

If you don't qualify as a Delf Wholesale & Business customer, don't worry there are plenty of offers available on our website.
