Specific Gravity:	1.18
Shelf Life: (from date of manufacture)	12 months

Directions for Use

Remove all oil and grease with Delf Delsol Degreaser.

Using a wire brush (or other abrasive) remove any loose or heavy rust.

Immerse component in Rust Remover until all rust has been removed (a polythene container can be used).

Agitate the Rust Remover to facilitate reaction as required.

Wipe component dry immediately following immersion.

Wipe away any splashes or spillages immediately with water.

Key Information

- Contains 30% Phosphoric Acid.
- Fast acting
- Ideal for cleaning tools, metal parts, pipework and boilers.
- Also very effective in removing rust stains from stone, brick and concrete floors.
- Brush or scrub away after treatment to leave a fresh metal surface.
